

# International Arbitration

With a global team experienced in dispute resolution and a vast array of industries, Katten is well-positioned to advise and lead our clients through the complex framework of international arbitrations involving cross-border commercial relationships, high-stakes projects and investments around the world.

## Trusted international dispute resolution counsel

Our team has acted as lead counsel in arbitrations conducted before the World Bank's International Center for Settlement of Investment Disputes (ICSID), International Court of Arbitration of the International Chamber of Commerce (ICC), Stockholm Chamber of Commerce (SCC), Singapore International Arbitration Centre (SIAC), the Permanent Court of Arbitration in the Hague (PCA), the American Arbitration Association (AAA) and other arbitral bodies, as well as cases conducted under the rules of the United National Commission on International Trade and Law (UNCITRAL).

## Addressing and managing disputes in context

In a dynamic environment involving ever-changing economic and geopolitical circumstances, we understand the challenges inherent in international disputes. While strong advocates, we possess the cultural awareness necessary to achieve the goals of our clients, whether multinational corporations, investors or individuals.

## Our Experience

---

- Represented a major motion picture producer in an arbitration against a German motion picture distributor that breached the terms of its distribution agreement by, among other things, failing to pay the US\$ 4 million minimum guaranty for the right to distribute a well-regarded theatrical motion picture in its territories.
- Defended a consortium of German insurance companies, who acted as guarantors for the completion of a Canadian-produced motion picture, in an arbitration commenced by the production financier of the motion picture, which claimed that the insurers were obligated but refused to perform under the completion guaranty.
- Served as lead arbitration counsel for claimant Asian pharmaceutical company in licensing and marketing dispute with US-based multinational pharmaceutical company before the Singapore International Arbitration Centre; obtained eight-figure arbitral award for client, as well as substantial award of legal fees.\*
