Associate

Structured Finance and Securitization

Charlotte Office | +1.704.344.3099

meredith.bock@katten.com

Meredith Bock represents a variety of clients in asset-backed securitizations and other structured finance transactions, including issuers, underwriters and lenders.

Assisting clients in securing financing

Meredith has experience with prime and sub-prime automobile loan securitizations, commercial mortgage-backed securities, commercial real estate collateralized loan obligations, and other complex structured finance transactions. She helps clients secure financing by understanding their unique needs and offering practical counsel that allows them to effectively grow their business.
