Education

BS, The University of Iowa

Kevin Zubor is Katten's Chief Financial Officer. Kevin provides leadership on long-and short-term strategic planning, as well as on firm and practice profitability, financial planning and analysis. He deals with forecasting and reporting, expense control and cash management. Kevin also handles the firm's banking relationships, audit and tax matters, and operating budgets.

Keeping an close watch on financial and risk management operations

Kevin provides overall financial support and strategy on growth opportunities, lateral hiring, and department and client analysis. His responsibilities include advising the firm on these opportunities and ensuring Katten is able to maximize its financial performance based on strategic objectives.

Within Finance, Kevin guides the controller, cash management, accounting, financial planning and analysis, collections, billings and partnership tax to align with the company's strategic plan and client expectations.

Previously Kevin was chief accounting officer of the Americas Region at Jones Lang LaSalle. He is a registered Certified Public Accountant (CPA) with more than 25 years of experience in accounting and finance.
