Practices

FOCUS: Transactional Tax Planning

Environmental, Social and Governance

ESG Litigation and Sustainability Compliance

United Kingdom

Bar Admissions

England and Wales

Since qualifying in 2020, Christy Wilson has advised a variety of clients about the tax implications of different types of structures and transactions. She has experience counselling clients in relation to the tax aspects of their corporate, real estate, banking and employment matters. Christy also writes regularly on topics related to developments in her practice area – this includes UK government consultations, changes in legislation and the continually developing role of taxation in environmental, social and governance issues.
