Becky Lindahl is a proven, first-chair trial attorney who focuses on high-stakes business disputes and class action matters.

Custom litigation strategies

Becky can assess the merits of a dispute and quickly tailor a strategy that fits the legal and business needs of any client. Whether her clients are involved in "bet-the-company" cases or more discrete matters, she uses her experience, sound judgment and personal commitment to handle electronic discovery issues, dispositive motion practice and trials. She is experienced in alternative dispute resolutions, bench and jury trials, and appellate briefing and arguments.

Becky understands that many large, multilayered commercial cases carry a heavy discovery load. She works diligently to bring practical and cost-effective solutions to clients' electronic discovery and data challenges.
