

California: Standards Board Proposes Rulemaking on Employee Access to Injury and Illness Prevention Program ("IIPP")

Prepared for the Katten Safety Advisory Group

March 11, 2019

The California Occupational Safety and Health Administration Standards Board has noticed a 45-day comment period and public hearing in Pasadena, CA on March 21, 2019 to discuss amendments to 8 C.C.R. §3203 ("IIPP"). The amendments would allow employees, and their "designated representatives," access to an employer's IIPP upon written request.
