Katten's Pro Bono Service Empowers Better Futures

2025 Pro Bono Annual Review

December 23, 2025

Katten's 2025 Pro Bono Annual Review, *Empowering Better Futures*, spotlights our firm's unwavering dedication to empowering individuals and organizations in need through our broad spectrum of pro bono work. This year's report underscores Katten's focus on people, from those facing unsafe circumstances and enduring challenges to changemakers seeking to expand opportunities within their communities, rather than causes alone. This commitment to helping others achieve better futures is reflected in our deeply rooted long-term relationships, with many pro bono opportunities arising from established clients and trusted partnerships.

As Director of Pro Bono Services Jonathan Baum noted, it is through these connections, built on trust, empathy and shared purpose, that Katten fulfills its responsibility to give back and advance the values of our legal profession. The stories featured within these pages celebrate the lives transformed through our collective efforts to advance the frontiers of public good and create lasting social impact.
