

Perfecting a Security Interest in a Lease of a Registered Aircraft

Published by *International Law Office*

April 9, 2014

An aircraft lease is a contract that provides for the conveyance of the use and possession of aircraft for a term in exchange for the payment of rent by the lessee. This article discusses the actions parties must take under state, federal and international law to create and perfect a security interest in the lease of a US-registered aircraft or any related collateral, or to protect the economic ownership of the lessor as a true lessor.
