

The Next Generation of Leaders

Published in *Chicago Lawyer*

June 2009

Lance Zinman, a partner in the Financial Services Practice, is profiled in this article as one of six up-and-coming leaders at Chicago law firms. Mr. Zinman says he looks forward to helping shape the future of the firm and that it's rewarding for him to be an advisor his clients trust, especially in this challenging business and regulatory environment. "I think we are entering into a new world of the legal profession," he adds. "Clients, rather than looking and saying, 'I need a lawyer to do this deal,' they are saying, 'Let's pick a firm that understands our business and adds value.'"
