**When it comes to financing transactions, financial institutions, banks, corporate borrowers and private equity, sponsors appreciate Max Maisonrouge's work ethic, attention to detail and commercial approach. His experience encompasses a wide variety of deal types, such as unitranche, first- and second-lien credit facilities, investment grade, middle-market and large-cap financings, cross-border and domestic acquisition financings, and debt restructuring transactions.**

## End-to-end transactional counsel

Adept at handling deals of varying complexity, Max sees the big picture when managing and supervising transactions from the term sheet stage through closing. He works closely with his clients to understand their business and the circumstances surrounding the transaction, allowing him to develop creative and effective deal structures and facilities for both borrowers and lenders. With a commitment to client service, Max's ability to navigate intricate transactions and provide reliable guidance makes him an invaluable asset to his clients.
