**Jack Mulligan understands his clients' goals and provides solutions to advance their interests. By meticulously working through legal and business issues, he strives to be a responsive and trusted advisor in any transaction.**

## **A meticulous, results-driven approach to solving problems**

Jack is adept at handling complicated tasks through diligence, persistence and critical analysis. As a notes editor and published author in the *University of Illinois Law Review*, he honed his ability to analyze and dig deeply into nuanced issues of law and policy to produce creative solutions. He was also a member of a moot court team that advanced to national competition, and was selected as a member of the Frederick Green Moot Court Competition, where he demonstrated proficiency in understanding complex questions of law and fact and the ability to efficiently simplify and communicate those issues in oral and written form. Additionally, Jack was selected for the Rickert Award for Academic Excellence, exemplifying an unceasing work ethic and dedication to achieving results.
