ashley.siwek@katten.com

Ashley Siwek focuses on providing her clients with tailored solutions, utilizing a methodical and communicative approach to effectively assist them with their real estate transactions that maintains and adds further value to their business.

Dedicated to a detailed and personalized approach

Ashley understands the business impact a detailed approach can provide organizations.

While in law school, she served as a production editor on the *Journal of Law, Technology and Policy*. Ashley also worked as a legal intern at a global aluminum and renewable energy company. In this position, she aligned with business representatives on commercial contracts that she meticulously analyzed, reviewed and drafted.
