Zack Gurien

Associate

Mergers and Acquisitions

New York Office | +1.212.940.6568

zack.gurien@katten.com

Zack Gurien advises companies, investors and private equity firms on a broad spectrum of mergers, acquisitions and divestitures. His experience ranges from straightforward domestic transactions to complex international carve-outs, allowing him to provide pragmatic, solutions-oriented counsel that aligns with client objectives.

Helping clients navigate corporate transactions with clarity and confidence

Zack brings a calm, detail-driven approach to complex corporate transactions, helping clients navigate deals with efficiency and confidence. He is known for his ability to manage multiple workstreams, align diverse stakeholders and anticipate issues before they arise. Colleagues and clients value his clear communication, responsiveness and commitment to practical, business-minded solutions.

During law school, Zack served as an editor of the *Georgetown Law Technology Review*, received a CALI Excellence for the Future Award in Energy Problems Seminar for the best-in-class paper and was a Teaching Assistant for Computer Programming for Lawyers.
