Practical counsel in a competitive lending marketplace

Pat helps lenders and borrowers in a variety of business sectors including health care, information technology, software, telecommunications, restaurants, manufacturing and pharmaceuticals. Clients rely on Pat to navigate matters spanning a wide variety of deal sizes and types, from single-lender, lower middle-market credit facilities to representing agents in middle-market credit facilities.

Pat balances the flexibility required by borrowers in a competitive lending landscape with the protections required by lenders to ensure an efficient documentation process for all parties.
