

Data Security: The Technology Company Perspective

Presented by the Illinois Technology Association

November 30, 2016

Leonard Ferber, co-head of the Technology practice and Matthew Brown, head of the Entrepreneurial Ventures practice, will present "Data Security: The Technology Company Perspective" on Wednesday, November 30 at 11:00 a.m. (CT). Discussion topics include issues surrounding the collection of data, privacy concerns, contractual provisions to achieve an appropriate allocation of risk, board and management responsibilities and exposure, insurance, and new developments in enforcing data security (FTC and the Defend Trade Secrets Act).
