Independent Sponsor Series: Current Trends in Independent Sponsor Transactions

September 25, 2017

The Private Equity practice will present the "Independent Sponsor Series: Current Trends in Independent Sponsor Transactions" program on Monday, September 25 at 5:00 p.m. Corporate partner Martin Ruhaak will present a survey of market data gathered from the many independent sponsor transactions we have handled. Independent sponsors and capital providers alike will benefit from our insight as participants seek differentiation in this increasingly competitive space. In addition, we will discuss structuring independent sponsor deal fees to maximize tax efficiencies and ensure compliance with broker-dealer regulations.
