

Special Olympics Southern California Summer Games

Presented by Special Olympics Southern California

June 9–10, 2018

Katten will serve as sponsor to the Summer Games presented by Special Olympics Southern California (SOSC) on June 9–10. The Games brings together more than 1,100 athletes from across Southern California who compete for gold, silver and bronze medals and ribbons in athletics (track & field), basketball, bocce and swimming. It is free to the general public, and offers a number of programs throughout the two-day event.

2018 marks the 50th anniversary of SOSC, which enriches the lives of more than 34,500 athletes with disabilities and their communities in Southern California through sports, education and athlete health.
