

You've Been Hacked: Preventing and Dealing With Cyber Breaches

Presented by Katten Muchin Rosenman LLP

January 10, 2019

Katten will host the "You've Been Hacked: Preventing and Dealing With Cyber Breaches" program at 5:00 p.m. on Thursday, January 10. Katten speakers will include Doron Goldstein, co-head of the firm's Privacy, Data and Cybersecurity practice; Financial Services partners Susan Light and Richard Marshall; and Financial Services special counsel Gary DeWaal. Along with financial services industry authorities, they will discuss:

- legal obligations to preserve data and safe keep personally identifiable information;
- legal requirements for written information systems security programs;
- cyber-attack and data breach prevention, detection and mitigation; and
- effective supervision of cybersecurity obligations.

For more information on this event, please contact Nicole Stephens at nicole.stephens@katten.com.
