

HIPAA Privacy in the Age of Social Media: Preventing and Addressing PHI in the Posts

Presented by Katten Muchin Rosenman LLP

June 13, 2019

Katten will present the "HIPAA Privacy in the Age of Social Media: Preventing and Addressing PHI in the Posts" webinar at 1:00 p.m. (CT) on Thursday, June 13. Julie Gottshall, Katten's Chicago head of the Employment Law and Litigation practice, Megan Hardiman, co-head of the Privacy, Data and Cybersecurity practice, and Cheryl Camin Murray, partner in the Health Care practice, will participate as speakers. The webinar will address the enhanced potential for HIPAA violations created by social media, with topics such as:

- best practices for responding to social media PHI breaches;
- common pitfalls that lead to breaches and preemptive steps to avoid them; and
- critical provisions for a health care company's social media and employment policies.
