

Intellectual Property 2019 Virtual Round Table

Presented by CorporateLiveWire

July 8, 2019

Los Angeles partner David Halberstadter, who is considered a leading attorney in media and entertainment law, was one of 10 experienced attorneys from around the world invited to participate in a virtual roundtable on intellectual property (IP) law hosted by CorporateLiveWire. The roundtable was launched live in June and posed a series of questions to the attorneys, who practice in the United States, the United Kingdom, Ireland, Malaysia, Malta, Nigeria, Singapore, Taiwan and Tanzania, on subjects ranging from recent changes and regulatory developments to key trends and opportunities in IP law.

David and the nine other attorneys answered questions for companies on topics such as:

- How to defend IP rights
- How to use IP to drive economic growth and business success
- What steps to take if IP rights have been breached
- What are the biggest mistakes companies make when it comes to IP
- What are the challenges of managing a large IP portfolio
