

The Annual Hotel Conference (AHC)

Presented by Questex Hospitality Group

October 9–10, 2019

Diane Scott, Katten Muchin Rosenman UK LLP's senior hotels consultant, will facilitate the "Go Fund Me – Investment & Funding" breakout session at 10:00 a.m. on Thursday, October 10. The session will discuss how hotels in recent years have emerged as a sophisticated, accepted and secure asset class for investment and if the bubble is about to burst as supply levels reach their peak, performance levels falter and other asset classes return to the fore. Speakers will cover information including where opportunities remain in creative financing, emerging partnerships for securing finance and whether the UK will continue to remain attractive for investment.
