SPEAKING ENGAGEMENT

25th Annual Forum on Communications Law Conference

Presented by the American Bar Association

February 6–8, 2020

Two Katten attorneys will participate in the 25th Annual Forum on Communications Law Conference on Friday, February 7. Doron Goldstein, co-head of the firm's Privacy, Data and Cybersecurity practice, will serve as lead facilitator of the "Hot Issues in Data Privacy" workshop at 8:00 a.m. The session will discuss where the CCPA has ended up one month after its effective date and a year and a half into the GDPR, and with state privacy laws proposed or under consideration in over 20 states; what (if anything) can be expected to change in the CCPA; whether (and in what form) a federal privacy law might be passed; lessons from GDPR practices and enforcement; and what companies can do to try to future-proof their data and privacy practices given the uncertainty.

Also at 8:00 a.m., Litigation partner Gloria Franke Shaw will participate as a facilitator in the "Hot Issues in Entertainment" workshop. The session will discuss developments and trends in movies, television, celebrities, games, music, politics, and graffiti cases after a year that has seen a number of groundbreaking decisions on entertainment issues.
