

London Weekly Fireside Chat, Week 8

June 26, 2020

Katten hosts a weekly, 15-minute fireside chat podcast series on notable UK and European developments from the prior week's *Corporate & Financial Weekly Digest*. This week, Neil Robson, Nathaniel Lalone and Carolyn Jackson explain the implications of a number of recent UK Government announcements regarding its proposals to make certain financial services regulatory reforms before the end of the Brexit transition period, with potentially significant divergences from EU legislation. Carolyn also digests the UK Financial Conduct Authority's (FCA) approach to cryptoasset regulation.
