

Bioethical Issues in the COVID-19 Pandemic: The Development and Distribution of Vaccines

Presented by New York State Bar Association (NYSBA) *44th Street Podcast*

September 10, 2020

The next edition of the *44th Street Podcast* features an introduction by New York partner Alan Brudner, chair of the Bioethical Issues Committee of the NYSBA, on the ethical issues around COVID-19 vaccine development and distribution. Committee member Jennifer Paul Cohen will interview the following:

- Dr. James Colgrove, professor of Sociomedical Sciences at Columbia University's Mailman School of Public Health and Dean of the Postbaccalaureate Premedical Program at Columbia's School of General Studies
- Dr. Llew Keltner, Chief Executive Officer of EPISTAT, an international healthcare strategy company he founded in 1972, an associate professor at Case Western Reserve School of Medicine, and a guest lecturer in the Columbia University bioethics program

The *44th Street Podcast* is available for download from [Apple Podcasts](#), [Google Podcasts](#), [Stitcher](#) and [Spotify](#). The podcast also is available on the [City Bar website](#).
