

19th Annual Winter Forum on Real Estate Opportunity & Private Fund Investing

Presented by the Information Management Network (IMN)

January 18–20, 2023

Three Katten Real Estate partners will participate in IMN's 19th Annual Winter Forum on Real Estate Opportunity & Private Fund Investing, which will be held January 18–20. On Thursday, January 19, Alvin Katz will moderate the "Crystal Balling the Future: Large Fund Perspectives" panel at 9:15 a.m. (PT), and Jason Vismantas will moderate the "What's in Store for Retail?" panel at 3:00 p.m. (PT). Devan Popat will moderate the "Pulse Check on Foreign Capital & International Fundraising" panel at 9:45 a.m. (PT) on Friday, January 20.

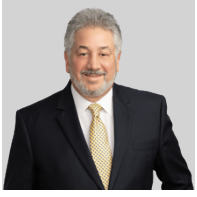

The three-day forum will tackle questions such as:

- With geo-political risk, tax reform and other critical industry disruptors that are causing or have the potential to cause major change across asset classes, where are we headed?
- How in turn does this impact deal flow, valuations, large fund dominance in fundraising, the availability and cost of capital, etc.?
- As some investment opportunities recede, what others are rising to take their place? What are the innovative investment strategies that early adopters are already reaping the rewards from?
