Crypto with Katten: Dan and Gary Surfing the Waves of Ripple

Presented by Katten

July 14, 2023

Katten will present the "Crypto with Katten: Dan and Gary Surfing the Waves of Ripple" webinar at 11:00 a.m. (ET) on Friday, July 14. Financial Markets and Regulation partner and co-chair Dan Davis, Financial Markets and Funds senior counsel Gary DeWaal and associate Alexander Kim will discuss the significant July 13 ruling in the Ripple case regarding XRP and the securities laws, which represents a significant setback for the US Securities and Exchange Commission (SEC)'s "regulation by enforcement" approach to digital assets. They will discuss not only the Ripple decision, but other developments on the legislative and regulatory front, such as the recently unveiled Lummis-Gillibrand Responsible Financial Innovation Act.
