

Drive the AI Future: Chicago & Israel Showcase

Presented by America – Israel Chamber of Commerce Chicago

December 7, 2023

Katten will host an innovation program, "Drive the AI Future: Chicago & Israel Showcase," presented by the America – Israel Chamber of Commerce (AICC) in Chicago. Capital Markets partner Alyse Sagalchik, who is AICC secretary, is co-chair of the showcase, which takes place on Thursday, December 7, from 5 p.m. to 8:30 p.m. at Katten's Chicago office.

Moderating the showcase panel is Betsy Ziegler, CEO of 1871. Panelists scheduled to appear are Austin Eovito, Senior AI Engineer at IBM; Professor Kristian Hammond, director of the Master of Science in Artificial Intelligence Program at Northwestern University and co-founder and chief scientist at Narrative Science; Armando Pauker, managing director and co-founder of Tensility Venture Partners; and Andrea Yonah, the US East Coast/Midwest director of the US – Israel Binational Industrial R&D (BIRD) Foundation.

The evening will begin with a happy hour at 5 p.m., followed by the program at 6 p.m., and an after-party at 7 p.m.
