

False Claims Litigation Conference

Presented by Lorman Seminars

January 30, 2008

Partner Stuart Chanen will speak on "New Developments in the False Claims Act" on Wednesday, January 30. He will also present his recent paper "Seller Beware: The Expanding False Claims Act(s)," covering several recent changes in false claims legislation, including federal, state, and local statutes, as well as several other significant developments in the defense of whistleblower claims.
