SEMINAR

The Intersection of Education and Technology: Do We Finally Have the Tools to Save Education?

Presented by Katten Muchin Rosenman LLP in partnership with the Illinois Technology Association

February 28, 2013

This program is the third in “The Next Phase” seminar series for technology companies and their customers. The roundtable discussion will explore the role of new technologies in solving the growing problems in education, the market for such solutions and related investment opportunities. Partners Jeffrey Patt and Leonard Ferber will serve as panelists along with Brandon Dobell of William Blair & Company, L.L.C., Karan Goel of PrepMe LLC, Jeffery Keith of Sterling Partners and Craig Pines of Deltak.
