

Katten Ad Chat

Presented by Katten

December 9, 2024

Katten will present its "Ad Chat" event at 1:00 p.m. (ET) on Monday, December 9, hosted by Advertising, Marketing and Promotions Partner and Chair Christopher Cole. The program will feature a conversation with Arielle Garcia of Check My Ads Institute and Alan Chapell of Chapell and Associates, two well-known industry experts, discussing the recent US Department of Justice case against Google in which they alleged that Google has abused a monopoly on digital advertising services. The three-week trial, which concluded in October, alongside the other antitrust judgments levied against Google, could result in a breakup of Google that upends the ad-tech industry, fundamentally impacting the way that internet ads are bought and sold. Arielle and Alan will offer their observations of the trial and predictions for what might come next.
