**Presented by FT Live and the Fixed Income Investor Network**

October 20–22, 2025

Katten Structured Finance and Securitization Partners Matt Jennings and David Matthews will participate in panel discussions at the ABS East 2025 conference on Monday, October 20. At 9:30 a.m., David will speak on "Building Pressure: CMBS Market Outlook," examining property valuations, borrower performance, and financing options diverging sharply across asset classes and discussing issuance trends, pricing dynamics, refinancing walls and delinquency outlooks across the commercial real estate landscape given stresses in office and multifamily sectors.

At 12:00 p.m., Matt will speak on "The Next Frontier of Consumer ABF," covering questions including: What's next for the Consumer ABF space? How will this market grow? Will traditional consumer financing continue to dominate or will we see a rise of nontraditional consumer financing such as BNPL?
