

Southeast Fellows Institute

Presented by the American College of Trust and Estate Counsel (ACTEC)

April 30–May 1, 2026

Partner and Private Wealth Chair Joshua Rubenstein will speak on "Planning for Life After Death: The Laws of Succession vs. the New Biology?" at 9:15 a.m. on Friday, May 1, during Program 6 of the Southeast Fellows Institute, Session III. The talk will examine the ability to control burial and the disposition of body parts, the posthumous use of our genetic material, inheritance by posthumously procreated individuals, and exhumation for the purpose of genetic testing. It will also offer practical suggestions concerning what can be done to address the fact that medical science now permits the class of one's children not to be closed by one's death.
