SPEAKING ENGAGEMENT

IDX 2026 FIA International Derivatives Expo

Presented by Futures Industry Association (FIA)

June 15–17, 2026

Financial Markets and Funds Partner Christopher Collins will present the Pre-Conference Session on Tokenisation Basics on Monday, June 15, starting at 3:30 p.m. BT.

Tokenisation is quickly becoming a practical reality in global financial markets. This session will introduce the fundamentals of tokenisation and examine how tokenised assets may shape trading, clearing, and settlement in futures markets. Chris will share the essential context needed to understand current developments, evaluate potential applications and engage confidently in tokenisation discussions within their organisation.
