**Presented by Private Client Global Elite**

June 3–5, 2026

Partner and Private Wealth Chair Joshua Rubenstein will speak on "The Great Re-Shuffle: UK and North American Tax Change and the Mobility of Wealth" at 9:45 a.m. on Thursday, June 4, during the Private Client Forum Americas 2026. The session will examine how political and fiscal developments in the United States are contributing to outbound migration among high-net-worth individuals, including the practical implications of exit tax regimes and cross-border restructuring. It will also consider recent UK reforms, the factors driving both emigration and inbound relocation, and the broader impact these trends are having on the movement of private wealth, family offices and internationally connected entrepreneurs.
