Presented by Katten

June 25, 2026

Katten will present the "Update for Healthcare Providers on Antitrust Enforcement Under Trump 2.0" webinar at 12:00 p.m. (ET) on Thursday, June 25. Antitrust and Competition Partner David Gonen and Healthcare Partner Laura Keidan Martin will provide an update on the current administration's antitrust enforcement activity targeting healthcare providers. Healthcare remains a top enforcement priority for both the FTC and DOJ, with the agencies continuing to pursue matters both in and outside the courtroom. Topics will include:

- Recent DOJ lawsuits targeting health system payor contracting practices
- Developments in FTC litigation involving an alleged roll-up of anesthesia practices
- A DOJ settlement resolving a home health merger and an FTC settlement resolving a community-based care merger
- The FTC's formation of a healthcare task force and issuance of noncompete warning letters

David and Laura will break down these and other recent developments, identify emerging trends that may impact providers moving forward, and provide practical guidance on risk mitigation strategies.
