MODULE

SFAcademy: The Bootcamp Series

Presented by the Structured Finance Association (SFA)

2026

Structured Finance and Securitization Partner Chris DiAngelo will present Module 28 of the SFAcademy's Bootcamp Series, "NAV Facilities for Structured Credit Funds." Chris will examine how these facilities support fund liquidity, financing, and portfolio management in today's evolving credit markets.

Topics will include:

- The growing role of NAV financing in today's private credit and structured finance markets.
- How structured finance and fund finance are complementary components of the broader financial ecosystem.
- How market participants are addressing the valuation challenges associated with illiquid and often opaque assets.

SFAcademy offers on-demand learning designed for professionals across the structured finance industry.
