

Investment Management 2026: Current Issues & Trends

Presented by the Practising Law Institute (PLI)

July 28–29, 2026

Financial Markets and Funds Partner Michael Didiuk will speak on "Emerging Developments in Digital Assets, Crypto and Tokenization" at 11:00 a.m. on Tuesday, July 28, during PLI's Investment Management 2026: Current Issues & Trends program. The panel will address evolving digital asset regulation, SEC crypto initiatives and tokenization. After completing the session, participants will be able to:

- Gain insight into the administration's potential reforms to digital asset regulation
- Familiarize themselves with recent initiatives led by the SEC's Crypto Task Force
- Understand key considerations for custody of digital assets by regulated funds and private and potential regulatory enhancements
- Improve their understanding of the tokenization of fund shares
