**Presented by Morningstar | DBRS**

October 6, 2026

Washington, DC Managing Partner Seth Messner will moderate the "Unlocking Home Equity: The Evolving HEI and HELOC Markets" panel at 4:00 p.m. (ET) on Tuesday, October 6, at Katten's New York office, taking an in-depth look at the continued evolution of home equity investments (HEIs) and home equity lines of credit (HELOCs).

As homeowners continue to hold significant untapped equity, HEIs and HELOCs are playing an increasingly important role in the modern Residential Mortgage-Backed Securities (RMBS) market. The discussion will explore the trends and developments driving market growth, collateral and borrower performance, and insights from Morningstar DBRS analysts on key considerations when evaluating these securitizations.
