# Planning Ahead: Preparing for New Privacy and AI Laws in 2027

November 19, 2026

Katten and Women in Security and Privacy (WISP) presented a webinar examining key privacy and artificial intelligence laws taking effect in 2027. With new compliance obligations emerging in the United States and abroad, the presentation explored which companies may be affected, what compliance requires and practical steps businesses can take to prepare for implementation and potential enforcement.

The session was led by Intellectual Property Partner Brandy Worden, Counsel Fred Bingham and Associates Cyrus Borhani and Anita Hodea.
