Presented by Katten Muchin Rosenman UK LLP

March 28, 2012

Partner Carolyn Jackson and Senior Associate Nathaniel Lalone will speak on two final rules issued in January 2012 by the Commodity Futures Trading Commission. The final rules address regulatory record keeping and reporting of certain swap data, which also encompasses the real time public reporting requirements. Additional topics include: which swap counterparty will have responsibility for the requisite recordkeeping and reporting, key dates for compliance with the rules, and the extraterritorial effect of the final rules.
