

IMN's Second Annual Sunshine Backed Bonds Conference

May 2, 2014

Chris DiAngelo, co-head of the Structured Finance and Securitization practice, will participate in the panel discussion “Overview of the U.S. Solar & Renewable Energy Industry: Identifying the Major Players, Assessing Growth Trends and Projections” at 9:20 a.m. on Friday, May 2. The session will address the policy framework and challenges facing the growing energy finance market, the outlook for renewable energy supply and demand in 2014, and new renewable energy projects and initiatives. Participants will also discuss the role the current government will play in fostering growth and investment in the renewable energy sector in addition to which trends in commercial and residential renewable energy usage show the most promise for securitization.
