Presented by *Medicare Compliance Alert* and *Fraud & Abuse Answer Book*

August 2, 2006

Partner W. Kenneth Davis Jr. will serve as a featured speaker in the audio conference, "Meet the Stark Deadline on Imaging Joint Ventures...and Find Out How to Comply."

Time is running out for physician-investors to unwind or restructure imaging joint ventures before nuclear medicine and PET scans are officially added to Stark's designated health services list on Jan. 1, 2007. Investors who continue to refer patients after Jan. 1 may face hefty fines if they aren't careful.

Find out at this audio conference how to restructure imaging joint ventures so you comply with Stark and the other fraud and abuse laws before it's too late.
