

## Power Women Initiative Breakfast

April 16, 2009

Katten is a sponsor of POWER Chicago 2009 on Thursday, May 14. This event is a great opportunity to meet interesting, connected women and help build up your personal and business networks. In preparation for the May program, the Women's Leadership Forum is hosting a speaker breakfast on Thursday, April 16, from 7:45–9:00 a.m in our main dining room. This breakfast will give you a chance to meet the speakers and learn more about the upcoming POWER event, and learn more about what POWER Opening Doors For Women can do for you.
