SEMINAR

Cyber and Data Security

June 25, 2014

Katten will present the panel discussion "Cyber and Data Security" at 3:30 p.m. on Wednesday, June 25. Experienced professionals will address emerging trends and issues involving the rapidly evolving area of cyber and data security. Richard Clarke, former White House advisor and current chairman and chief executive officer of cyber risk consultancy Good Harbor, will lead an examination of ways in which cyber and data security is becoming a significant topic for companies and investors.
