

### STEP Luncheon Conference

Presented by **Society of Trust and Estate Practitioners**

December 15, 2011

Private Wealth Partner Joshua Rubenstein will give a lecture titled "Planning for Life After Death: Laws of Succession vs. The New Biology" at 12:15 p.m. on December 15.

This talk will examine the ability to control burial and the disposition of body parts, the posthumous use of our genetic material, inheritance by posthumously procreated individuals, and exhumation for the purpose of genetic testing. It will also offer practical suggestions concerning what fiduciaries, beneficiaries and their advisors can do to address the fact that medical science now permits the class of one's children not to be closed by one's death.
