

The Changing World of Cross-Border Derivatives: Dodd-Frank, EMIR and What They Mean for You

Presented by Katten Muchin Rosenman UK LLP

October 6, 2011

Partners Arthur W. Hahn, Edward B. Black, Guy C. Dempsey Jr., Kevin M. Foley, Carolyn H. Jackson, and Nathaniel W. Lalone will discuss how title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act dramatically changed the rules for governing the U.S. derivatives market. EMIR (the European Market Infrastructure Regulation) will do the same for the European market. Join us for a discussion of these developments and practical analysis of their impact on derivatives transactions, documentation and practices.
