

The Future of Trading: Technology, Operations, Compliance, and Risk Management Summit

Presented by the Strategy Institute

November 17–18, 2010

Partner Lance Zinman will speak on "Understanding the Latest Market Structure Developments in the United States" at The Future of Trading: Technology, Operations, Compliance, and Risk Management Summit, which is being held on November 17-18.

Topics that will be discussed in his presentation include:

- What is the SEC looking at in terms of electronic trading and market structure?
- What changes can be expected in the short term?
- What should firms be doing now to address future compliance obligations
