SEMINAR

Techniques for Financing Energy Efficient Improvements at Commercial Properties

January 29, 2015

Katten is pleased to host the CRE Financial Council's seminar "Techniques for Financing Energy Efficient Improvements at Commercial Properties" in New York on Thursday, January 29 at 5:30 p.m. (ET). Chris DiAngelo, managing partner of Katten's New York office and co-head of the Structured Finance and Securitization practice, will moderate a discussion of the types of equipment and other services available to commercial building owners and developers, incentives and financing, the regulatory and legislative outlook for clean and green energy, and the challenge of working within the framework of any existing financing and mortgage.

A live webinar will also be available. Click here for more information and to register.
