Presented by Strafford

October 22, 2015

Anthony Paccione, co-head of the New York Litigation and Dispute Resolution practice, will participate in the webinar "Ponzi Scheme Clawback Litigation in Bankruptcy: Bringing or Defending Claims" on Thursday, October 22. The program will also address the following questions:

- Can legitimate profits earned on investments redeemed in the clawback period be protected?
- What are the applicable statute of limitation defenses?
- What red flags can constitute inquiry notice to investors and other transferees?
- Does the inquiry notice standard take into account the nature of the investor—whether the investor is an individual or an institutional investor?
