

FOW Trading Amsterdam 2015

Presented by Futures & Options World

March 17, 2015

Carolyn Jackson, a partner in the Financial Services practice, will participate in a panel discussion at the FOW Trading Amsterdam 2015 conference on Tuesday, March 17 at 4:10 p.m. (CEST). The panel, "The Future of Futurisation," will discuss how there are more opportunities now than ever before to automate the trade cycle given the potentially trillions of dollars of notional in the over-the-counter market coming within the reach of algorithmic trading. The panel also will answer the following questions:

- Is the hype over futurisation exaggerated?
- Which instruments are most likely to come onto screens?
- How can prop traders and market makers capitalize?
- What challenges are posed by futurisation?
